THE HOTEL

Since 1748, the Anna Grand Hotel has been one of Lake Balaton's iconic buildings, and since the early 19th century a favourite retreat for those in search of relaxation. Its elegant architecture and historic aura make it the perfect choice for an enchanting wedding.

Honouring more than two centuries of tradition while embracing the standards and trends of the 21st century, the complex has been renewed in the heart of Balatonfüred.

The perfect harmony of the finest materials and colours captivates guests from the very first moment. In the enchanting world of ANNA GRAND, the past meets the present, and every moment speaks of timeless luxury.

The hotel stands right on the shore of Lake Balaton, 200 metres from Tagore Promenade.

THE BIG DAY

Over the years, the hotel's iconic style and refined elegance have made it one of Balatonfüred's defining landmarks. Within its historic walls, every celebration takes on a special atmosphere.

For an outdoor ceremony, we recommend our charming Ornamental Garden, where the closeness of nature makes every moment even more personal. The elegant, covered Arcade offers a pleasant setting for welcoming guests.

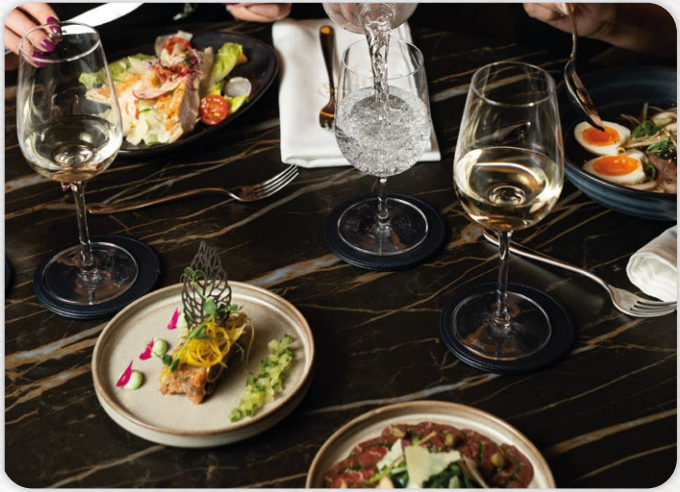

The Ballroom is a fitting venue for the wedding: its elegant interior, impressive windows and historic atmosphere create a special backdrop for the big day. It is ideal for weddings of 60 to 150 guests, whether you are planning an intimate family celebration or a larger wedding dinner.

At the Anna Grand Hotel, every important moment of your wedding has a worthy setting, from the ceremony and the festive dinner to the celebration that carries on into the night.

CATERING

We create a personalised wedding menu for every couple, and our kitchen readily adapts to special dietary requirements.

The hotel has its own patisserie, so all the couple has to do is dream up their wedding cake and desserts.

A high-quality drinks package with a wide selection and our signature Anna Champagne are essential ingredients of the celebration.

RESTAURANT

A wedding is about more than a single day. Anna Restaurant gives you the chance to spend an evening with close family and friends over dinner before the celebration, and on the morning after the big day you can continue your time together over a leisurely breakfast.

The special atmosphere, spacious interior and distinctive design of Anna Restaurant provide a fitting setting for these intimate moments together.

HEN PARTY

To celebrate before the big day, we offer a hen party brunch package with accommodation at a special rate. You can round off the day with sailing, a wine tasting in the Balaton Uplands or a workshop experience in Tihany.
